

# BIZCORPORATES Women's Size Guide

Biz Corporates apparel sizes are designed to fit average industry standards for the below body measurements.

Please use this handy Body Measurement Guide to compare your own measurements and help you determine which size to order.

Use these measurements as a guide when selecting the right size garment, but also take into consideration the garment fit.

## **A. BUST**

Measure under your arms and across shoulder blades, around the fullest part of your bust. Hold one finger between body and tape.

## **B. WAIST**

Measure around your natural waistline while holding one finger between body and tape. This is the smallest part of your waist.

## **C. HIP**

Measure around fullest part of your hips (about 20 – 24 cm down from waist) while standing naturally.

## HOW TO MEASURE

## PANT AND SKIRT LENGTHS

Pants and skirts will vary in length depending on the height of each individual and also their shape. All pants come with a hem allowance allowing for easy alterations.
